

Precision Gage, Inc.

8367 Conifer Rd. Denver , CO 80221 (303) 427-1113 / Fax (303) 427-1114

Precision Gage, Inc. Offers full service metrology services in compliance with ISO/IEC 17025 testing and calibration requirements in our environmentally controlled Laboratory.

We have been serving the Rocky Mountain area since 1982 in the areas of [Calibration](#), [Repair](#) and [Sales](#) and are always increasing our capabilities with state-of-the-art equipment and facilities. Our concern is for you to have your equipment calibrated properly and quickly returned. For more information call us with your metrology needs. The following is a brief overview of our services.

Calibration: We offer long form certifications on all but not limited to the following list.

Lab Equipment

Supermicrometers
Internal Comparators
Universal Machines
Torque Analyzers
Gage Blocks
Length Standards
Analytical Balances
Master Balls/Spheres
Thread/Gear Wires
Kalmasters

Hand Tools

Micrometers
Dial /Test Indicators
Calipers
Torque Wrenches
Scales
Force Gages
Spring Testers
Durometers
Height Gages
Plug/Pin Gages

Inspection Equipment

C.M.M
Optical Comparators
Surface Plates
Vision Systems
Microscopes
Height Masters
Electronic Amplifiers
Thread Gages
Profilometers
Sine Bars

Miscellaneous

Pressure Gages
Vacuum Gages
Load Cells
Temperature
Thermocouples
I R Temperature
Ovens
Crimpers
Fixtures
Molds

Electronic Equipment: A new service added to our calibration capabilities.

Multimeters, Clamp Meters, Panel Meters, Resistance, Capacitance, Watt Meters, Process Calibrators, XY Recorders, Data Loggers, Strip Chart Recorders, Tachometers

Repair: We offer repair to like new condition on the following items and all major Manufacturers.

Hand Tools, Mechanical gages, Laboratory Equipment, Force/Torque, Pressure/Vacuum, Digital Readouts, C.M.M.'s, Optical Comparators, Surface Plates, Microscopes, Electronic Test and Measuring Equipment.

Sales: You can replace your worn or out of tolerance gages, and add to your inspection department with us.

Dimensional Gages

Brown & Sharpe
Fowler
Tesa
Interapid
Etalon
CDI

Metrology Equipment

Trimos
Mtutoyo
Optodyne
Ball-Tec
Ashcroft
SPI

Torque

Consolidated Devices
Sweeney
Utica
Proto
Snap-On
Tohnichi

Hard gages

Southern Gage
Vermont
Meyer Gage
Greenfield
PMC
Van Keuren

Special Services: In addition to standard Metrology concerns we offer the following services.

First Article Inspection: Performed on C.M.M., Optical Systems and surface plate with hard gauging.

On-Site Calibration: Performed at your facility with our Standards.

Consulting: Helping you attain and maintain ISO registry, FDA approval ANSI & MIL-STD compliance.

Training: At your facility or ours, small or large groups, concentrating on your needs.

Expedite Service: Available on most calibration and repair items.

We also buy and sell used and reconditioned inspection and Metrology equipment.
